Forever Media Inc. – Brownsville (Froggy 94.9 and Pickle 99.3) is seeking individuals to work part-time mascots. Do your friends describe you as “energetic and entertaining”? If so, this could be the perfect opportunity for you!

Our radio station mascots work at Live On Locations and community events welcoming our listeners. This is a very exciting opportunity for the right person! You must be willing to interact with the public and be comfortable around children and crowds. You must have a flexible schedule, including weekdays, evenings, weekends and holidays.
