This EEO Public File Report is filed in each Station's online FCC Public File.

Forever Media and its affiliates and their Radio Station(s) do not and shall not discriminate, in any manner on the basis of race, ethnicity, religion, gender, or age respecting their recruiting, employment or advertising practices. We engage in a continuing and evolving effort to seek out prospective applicants for employment. The Annual EEO Reports herein exemplify those agencies contacted. Those which requested to be contacted, are so noted. We have found these agencies to be suppliers of diverse and qualified employment candidates in our continuing outreach program to achieve dissemination of information to a broad section of the community. We periodically re-evaluate the recruitment process to enhance wide dissemination. As a result, we believe our overall package of recruiting initiatives has been successful over the past two reporting periods.

	Ongoing	#5 Forever Media Internship Program	Forever Media Radio helps prepare students to take their place in society as active, critical and engaged media professionals. We provide internship opportunities to students every year. We work to design a program that allows students to earn college credit for hands on experience at the radio station. The Internships are designed to meet the needs of the radio station and academic requirements of the college or university where the student is enrolled. Each internship is uniquely designed to help prepare students to take their place in society as active, critical and engaged media professionals. Students may work with the News Director, Program Director, Business Manager, Chief Engineer, Sales Manager or the General Manager to fulfill their internship. Promotional interns. They helped develop, plan, implement, and recap ways to market and promote the station group. They attend Live Action Broadcasts for the radio network and help promote the event.	None this period
